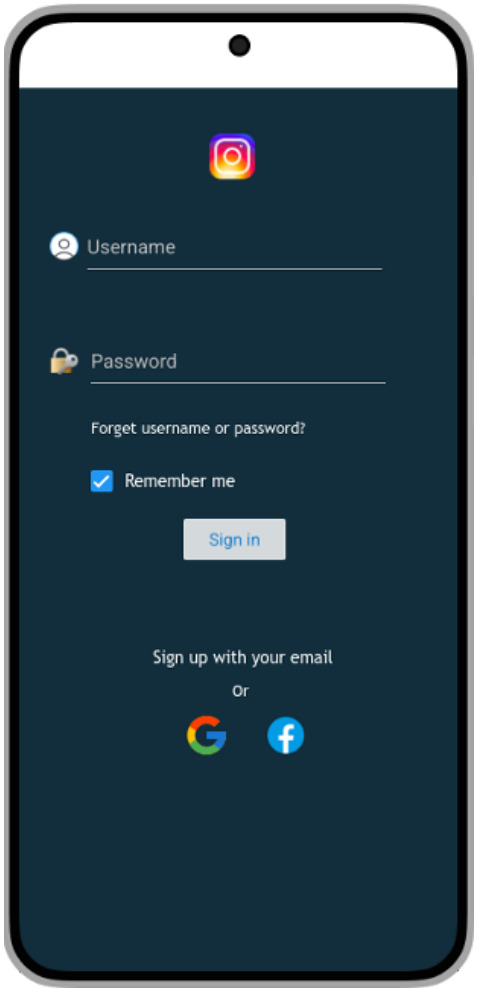
# EXPERIMENT 4

ROLL NO: 240701543 NAME: SUDHARSAN R

Create a prototype with familiar and unfamiliar navigation elements. Evaluate ease of use with different user groups using proto.io

Screen 1:
Sign In page for the destination app



Screen 2:
Home page:
Familiar Icons:

1. Hamburger Menu (☰) - Top Left:

o A common icon representing a collapsible navigation menu.
o Clicking it usually opens a sidebar with options like Home, Settings, and Profile.

240701543

2. Search Icon (🔍) - Below the Heading:

o A widely recognized icon used for searching within the app.
o Clicking it typically opens a search bar where users can type queries.

3. Three-Dot Menu (⋮) - Near "Trending Styles":

o Represents more options or actions related to the section.
o Often used for settings, sorting, or additional functionalities.

Possibly Unfamiliar Icons:

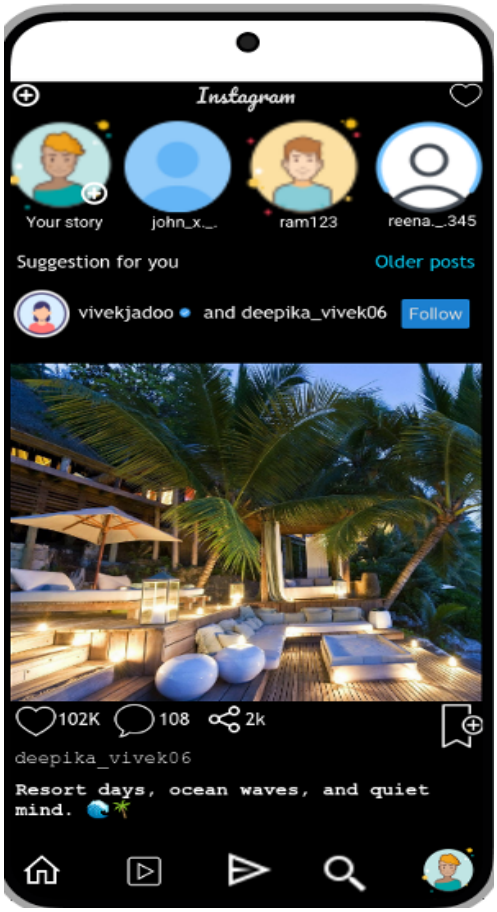
1. Explore Button:

o This is not an icon but a button that might lead to more details or booking options for the resort.
o It’s common in travel and e-commerce apps but might be designed differently.

2. Time (08:04) - Top Right Corner:

o This is a standard phone status display but may also indicate a feature like a time based greeting or notification.

240701543



Screen4:
Reels page:

Familiar Icons: 1.

Back Arrow (←) - Top Left Corner:
o A widely recognized icon used for navigation.
o Clicking it will likely take the user back to the previous screen.

Familiar Icons:
1. Back Arrow (←) - Top Left Corner:
 o A widely recognized navigation icon.
o Clicking it will likely take the user back to the previous screen.

2. Time Display (08:07) - Top Right Corner:
 o A standard phone status indicator that shows the current time.

240701543

Familiar Icons:

1. Profile Icon (Circle Placeholder - Top Left):

o Represents the user's profile picture or avatar.
o Clicking it may allow users to edit their profile or view account details.

2. Transaction Icon (💳 or similar) - Next to "Transaction":

o Commonly used for payments, purchases, or financial records.
o Clicking it likely opens transaction history.

3. Coupons Icon (🎟️ or Tag Symbol) - Next to "Coupons":

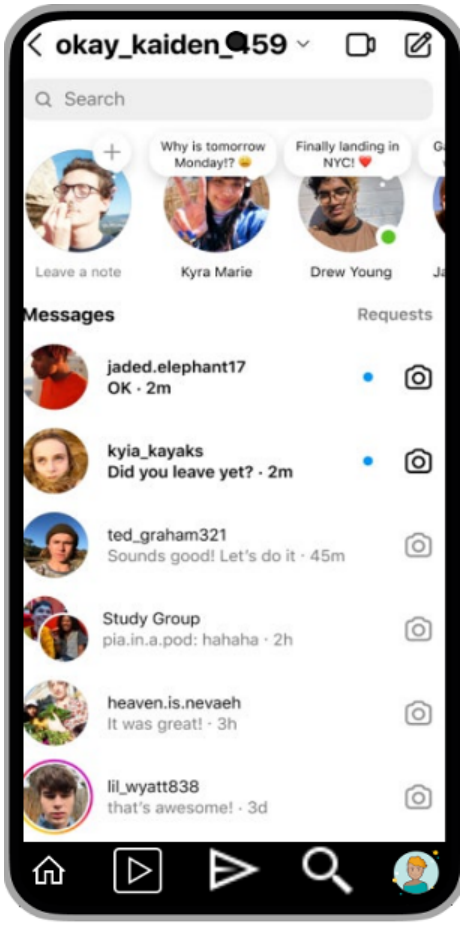
o Represents discounts, offers, or vouchers.
o Clicking it may show available coupons for the user.

4. Heart Icon (💙) - Next to "Favourite":

o A universally recognized icon for saved or liked items.

o Clicking it will likely show favorite places, hotels, or deals.

5. Logout Icon (□ or ↩) - Next to "Log out":
o Commonly represents signing out of an account.
o Clicking it will log the user out of the app.



Familiar Icons:

1. Back Arrow (←) - Top Left Corner:

o A widely recognized navigation icon.
o Clicking it will take the user back to the previous screen.

2. Left & Right Arrows (← →) - Near the Month Name (February 2025):
o These are used to navigate between months in the calendar.
o Clicking them allows users to select different check-in and check-out dates.

3. Calendar View with Highlighted Date (22):

240701543

o A standard UI element in booking applications.
o The selected date is highlighted, indicating the user's check-in/check-out selection.

4. "Reserve" Button - Bottom Right:

o A common call-to-action (CTA) button.
o Clicking it likely confirms the selected dates for booking.

Familiar Icons:

1. Back Arrow (←) - Top Left Corner:
o A common navigation icon used in almost all mobile apps.
o Clicking it will take the user back to the previous screen.

2. Star Icon (⭐) - Rating Indicator:

o Represents the rating of the resort (4.5 stars).

o A familiar UI element used in travel, e-commerce, and review-based apps.

3. Payment Button ("Pay") - Bottom Center:

o A standard call-to-action (CTA) button used for confirming transactions.
o Clicking it will likely redirect the user to a payment gateway.

4. Left & Right Arrows (← →) - Between Check-in and Check-out Dates:

o Used for navigation between different date options.
o Clicking these might allow the user to modify their selection.
